

Here is a lil cruise report from Longbranch..

What beautiful weather we enjoyed for the cruise in Longbranch. There were 3 boats which included us, The Fleeks and The Swifts. Although there were just a few of us, we enjoyed the sunshine, friendship and some bombdiggity steak chili! Longbranch in the fall with the colors, the view of the mountain and the cool crisp mornings is so special. Thanks to ya'll who came out to celebrate the beginning of fall. 😊

Cheers!
