

March 2023 Cruise Report and Photos – Poulsbo

Friday started with some wind and weather and a rainy forecast. Mother Nature blessed us with a cold but sunny weekend share with Des Moines Yacht Club. We had 7 out of 10 boats attend from Fircrest Yacht Club including, Goetz, Fleeks, Millsaps, McNeils, Swifts, Haas, Mike & Michelle Lawrence. The Fords came with the Millsaps and we had some drive-ins including Fairbanks and Graves. DMYC had 22 boats in attendance.

The Poulsbo staff were very accommodating despite the typical power issues.

Friday's mixer and hors d'oeuvres was a hit with a get-to-know-each-other game. Saturday started with a breakfast feast, free day spent playing photo scavenger hunt, wine tasting, and shopping. Saturday evening played \$1 Left Right Center and cards with dessert. Sunday was cold but sunny making for a lovely cruise home.

DMYC has invited FYC to South Sound Opening. Info can be found on desmoinesyachtclub.com website.

Thank you to all that attended and co hosted, Dan & Heidi of DMYC and Marlo & Kevin Geotz with Lori & Kevin Fleek.
