## **Vice Commodore Report from February 21, 2023, Meeting**

February 27<sup>th</sup>, 2023

Kerri and Tom Swift have offered to host the Memorial Day Cruise in Brownsville!! That is exciting news, thank you so much for stepping up as new members!

Toni Fairbanks has also agreed to help out/guide/mentor. This is teamwork! I love it, thanks Toni!

Hopefully we will have a great group of yachties there to support you!

We are still looking for Cruise hosts for only 2 cruises!

Labor Day at Swanton in Olympia.

Halloween Cruise at Des Moines Marina, by the way, Halloween is always a very fun and easy cruise to host, if you are new and think you want to get your feet wet!

If you are interested in hosting any cruises, but a little unsure, please get in touch with me, and I will do my best to get you hooked up with a more experienced host. Even if you are not new, but just don't want to take it all on by yourself, let me know!
