

June 2023 Cruise Report and Photos – Eagle Harbor

From Latimers & Olsens:

Eagle Harbor was a fun laid back cruise. We had 4 of our boats stern tied to the dock which was a fun addition. Saturday afternoon there was treasure hunt using way points and landmarks as clues. We might have had a few items that were confiscated by bystanders but that didn't stop us from having good time hunting anyway 😊. Josey was picked as winner, who then passed the prize over to the Salty Tribe.
